EYP & YEAR I EXCURSION

PTM

We held our first Parent-Teacher Meeting of the year, creating a meaningful platform to discuss students' progress and share feedback. The active participation of parents made it a truly successful and collaborative start!

Playdate Adventures at Pip's Playbox!
Our little explorers had a blast during their fun-filled playdate at Pip Playbox! From constructing imaginative structures with building blocks and magnetic tiles to designing their very own colourful hats, every moment was packed with creativity and joy. It was a journey of teamwork, laughter, and hands-on learning—just the way we love it!

YEAR 2 AND 3 EXCURSION

Our curious explorers stepped into the world of sustainability during their exciting excursion to the Sustainable Singapore Gallery at Marina Barrage!

From interactive exhibits to real-world water solutions, the students were fascinated by how Singapore turns challenges into eco-friendly triumphs.

They learned about NEWater, stormwater collection, and how every drop counts in building a cleaner, greener future. It wasn't just a visit—it was a spark to think big, act green, and dream of a better tomorrow!

It was more than a field trip — it was an inspiration to Reuse, Reduce, Recycle and become mindful guardians of our planet!

REGITATION COMPETITION

> Our students from EYP to Year 6 showcased their confidence and expression in the Recitation Competition. With clear voices, graceful gestures, and heartfelt delivery, each child brought their poem to life.

> The event not only nurtured language and presentation skills but also boosted self-confidence, making it a memorable experience for all participants.

CLASSROOMS WERE ALIVE WITH PATRIOTIC SONGS, JOYFUL LAUGHTER & HEARTFUL RECITATIONS. STUDENTS DISCOVERED NEW PLACES, SHOWCASED THEIR TALENTS AND STRENGTHENED BONDS ACROSS OUR SCHOOL COMMUNITY. THE CAMPUS AWASH IN RED & WHITE AS WE CELEBRATED SINGAPORE 60TH NATIONAL DAY. A VIBRANT ASSEMBLY FEATURED SONGS, DANCES & STUDENT -LED PRESENTATIONS ON SINGAPORE HISTORY & ACHIEVEMENTS. THE SPIRIT OF UNITY & PRIDE WAS FELT IN EVERY CORNER.

We had a wonderful start to our Monthly Main Campus Day on 15th
August! The students enjoyed an exciting mix of activities, from handson experiments in the Science Lab to live Dance and Music
performances. They also had a great time exploring the cricket nets,
soccer field and various physical activities.

A highlight of the day was witnessing the flag hoisting ceremony, which filled everyone with pride and patriotism. Celebrating India's Independence Day together made the experience even more meaningful, blending learning with the spirit of the occasion.

HEAD BOY AND HEAD GIRL ELECTION

Our young learners stepped into democracy with enthusiasm! From casting votes to electing their Head Boy and Head Girl, they experienced fairness, choice, and responsibility first-hand.
A proud moment as future leaders emerge with confidence and integrity.
