World Mental Health Day Assembly – Class 8 IC

MENTAL
health
MATTERS

On the occasion of World Mental Health Day, the students of Class 8 IC conducted a thoughtful and inspiring assembly aimed at raising awareness about mental well-being. The assembly began with a brief introduction to the significance of the day, highlighting the importance of mental health in our daily lives and the need to break the stigma surrounding it.

Your mind matters. Every thought, every feeling, every moment of self-care is a step toward strength. Be kind to yourself, support one another, and remember - it's okay to ask for help. Together, we grow stronger.

Deepavali Assembly - Classes 9 IG A & B

The students of Classes 9 IG A and B presented a vibrant and culturally rich assembly in celebration of Deepavali, the Festival of Lights. The assembly was a wonderful blend of tradition, creativity, and student-led initiative, leaving everyone with a deeper appreciation for the festival and its timeless values.

Hauntingly Happy: Halloween at School

The students of Classes 6A and 6C brought festive cheer and spooky fun to the school with their Halloween-themed assembly.

Wildlife in our neighbourhood

Assembly by National Park

DPS International School students recently attended an engaging NParks assembly titled Wildlife in Our Neighbourhood, where they explored the rich tapestry of animals that share our urban spaces. This talk provided information on how to interact with wildlife and nature responsibly, with a focus on commonly encountered wildlife species such as long-tailed macaques, wild boars, civets, snakes etc.

Every creature you meet is a reminder that we share this world. Let your curiosity lead to care, and your knowledge inspire action - for in protecting nature, you shape a brighter future for all.
