DPSIS Cricket Carnival

Our inaugural Family Cricket Carnival, held on November 15, 2025, at our very own DPSIS cricket grounds, was a resounding success. The day was defined by energy, enthusiasm, teamwork, and the spirit of togetherness, with our parents setting a remarkable example of prioritizing health and community engagement. They competed in a series of lively matches, displaying incredible collaboration and resilience. We extend a special commendation to the mothers who participated in the Wicket Warriors category, whose powerful presence on the pitch served as an inspiration for all our learners, proving that cricket is truly everyone's game! The festive atmosphere, enhanced by delicious snacks and seamless organization, made the tournament a memorable celebration of collaboration and strong school spirit.

A Proud Day for DPSIS Families

The Cricket Carnival was not only a thrilling day of sport, it was a moment of quiet pride for many parents. Watching their children play with confidence, teamwork, and grace, they cheered with joy and reflected on how beautifully their wards are growing on and off the field.

As part of the 150th anniversary celebrations of Vande Mataram, the iconic national song was recited with reverence and pride by both teachers and students at DPSIS.

The collective voices echoed a deep sense of patriotism and unity, reminding everyone of the song's enduring legacy in India's freedom movement

CHILDREN'S DAY

Children's Day at our school was filled with joy and laughter as teachers took the stage with a lively skit, cheerful songs, and energetic dance performances. The students were delighted to see their teachers in a brand-new avatar, celebrating the spirit of childhood with warmth and enthusiasm. It was a morning of smiles, surprises, and unforgettable memories for everyone.

Math Week

Math Week at DPSIS was a lively blend of curiosity, creativity, and discovery. Students engaged in a variety of fun-filled activities from puzzles and math trails to interactive games that made numbers come alive beyond the classroom.

The highlight was a thoughtfully crafted assembly featuring a simple yet impactful skit that explored how math shapes our daily lives. Through relatable scenarios and light humor, the skit reminded everyone that math isn't just about formulas, it's a vital tool we use every day, from budgeting and cooking to travel and technology.

Students' Pledge

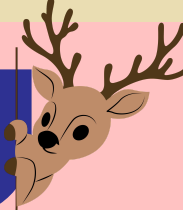

During the CCA period, Grade/Year 7 students participated in a dynamic DPS Student's Pledge activity in the AV Room. Working in groups, they showcased each pledge through creative role plays and real-life examples. The session not only encouraged teamwork and communication but also strengthened values, reflection, and responsible behaviour - key elements of holistic student development.
