DPSIS newsletter

A MEMORABLE MORNING OF SPORTSMANSHIP, PRIDE & CAMARADERIE AT DPSIS

We were honoured to host a Goodwill Football Match with the cadets of the First Training Squadron of the Indian Navy, an experience that beautifully blended discipline, sportsmanship, and youthful enthusiasm on our campus.

Our very own Team DPS, comprising current students and proud alumni, displayed exceptional teamwork and determination, leading the match with a confident 3-1 advantage in the early stages.

“FOOTBALL UNITES THE WORLD”

The energy on the field was infectious, with students, alumni, and guests cheering every pass and goal—truly a moment of pride for the DPS community.

WHEN A GROUND SPEAKS FOR ITSELF...

A special highlight of the day was the irresistible charm of the DPS Cricket Ground. So inviting was the pitch and ambience that it inspired a couple of Indian Navy cadets to spontaneously pick up the bat and enjoy a friendly game of cricket. This impromptu moment spoke volumes—not just about the quality of our sporting facilities, but about the universal language of sport that connects hearts beyond uniforms, ranks, and age.

A GRAND FINISH TO A GLORIOUS MATCH

The day concluded with a resounding victory for Team DPS, finishing strong at 6–2. Adding to the joy, we had the privilege of witnessing the coach step onto the field to play alongside his boys—an inspiring sight that reflected mentorship, unity, and the true spirit of sport.

Our players were awarded certificates of participation, celebrating effort, teamwork, and mutual respect. The event was graciously invoked by our young cricketer Shanaya, who led a traditional Indian welcome, proudly representing the voice of our students—those who will cherish, celebrate, and cheer this victory for years to come.

It was a day that reminded us all:

At DPS, we don't just play to win—we play to connect, to inspire, and to build memories that last a lifetime. 💙🏆
