

# BRIDGE PROGRAMME NEWSLETTER

February 2026

## Assembly

Bridge programme students attended two special assemblies. The first assembly focused on celebration of Chinese New Year, filled with colour, culture, and joy. Students learned about the traditions that mark this important festival, such as family reunions, festive foods, and the symbolic red decorations that represent good fortune. The second assembly was focused on the "Magic Words" that make everyday interactions kinder and more meaningful: Please, Thank You, Sorry, and Excuse Me. The assembly encouraged everyone to practice these words daily, making our school a place where kindness and respect shine as brightly as academic achievements.

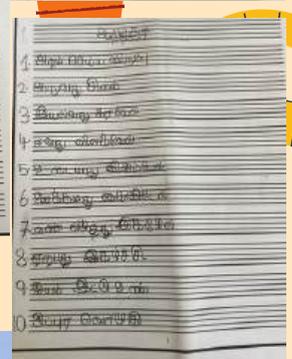

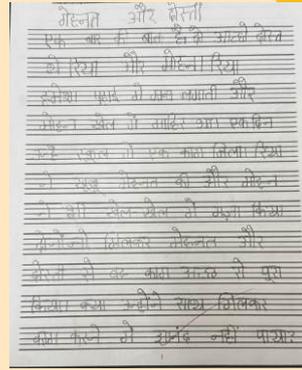

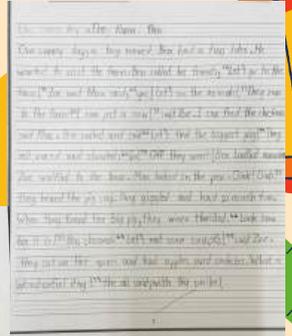

## Cleanest Class

The Tulips Class has proudly earned the Cleanest Class Award, a recognition of their dedication to maintaining a spotless and welcoming learning environment. Every student contributed to this achievement by showing responsibility, teamwork, and respect for their shared space.

# HANDWRITING COMPETITION

Handwriting Competition: Bridge programme students participated in the handwriting competition designed to celebrate and encourage the art of beautiful penmanship among the students. All students participated enthusiastically, showcasing their dedication and effort. Participants were given a short passage to write within a stipulated time. Their work was evaluated on the basis of legibility, creativity and overall presentation. The competition provided an excellent opportunity for students to develop discipline and focus while enhancing their handwriting skills.

मेहनत और दोस्ती  
 एक बार की बात है, दो अच्छे दोस्त  
 थे रिया और मोहन। रिया  
 खीसा पढ़ाई में मन लगानी और मोहन खेल  
 में माहिर था। एक दिन उन्हें स्कूल में एक  
 काम मिला। रिया ने खूब मेहनत की  
 और मोहन ने प्री खेल खेल में मदद  
 किया। दोनों ने मिलकर और  
 दोस्ती से वह काम अच्छे से पूरा  
 किया। क्या उन्होंने साथ मिलकर काम  
 करने में आनंद नहीं पाया?

The Farm Fun  
 One sunny day, a boy named Ben had a fun idea. He wanted to visit the farm.  
 Ben called his friends, "Let's go to the farm!"  
 "Zoe and Max said, "Yes! Let's see the animals!"  
 They ran to the farm. "I can pet a cow!" said Zoe.  
 "I can feed the chickens!" said Max.  
 Ben smiled and said, "Let's find the biggest pig!"  
 They all raced and shouted, "Go!" Off they went!  
 Ben looked around. Zoe walked to the barn.  
 Max looked in the pen. "Oink! Oink!" they heard the pig say. They giggled and had so much fun.  
 When they found the big pig, they were thrilled. "Look how big it is!" Ben cheered. "Let's eat some snacks!"

# RECITATION COMPETITION

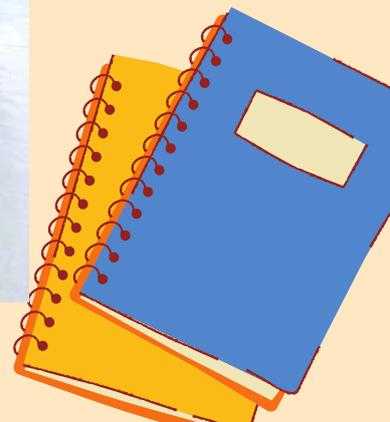

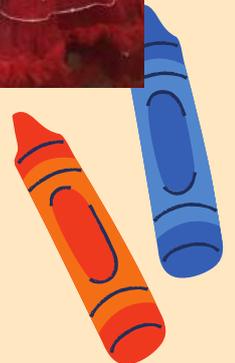

Our school recently organized a Recitation Competition to encourage students to develop confidence in public speaking and appreciation for literature. Participants recited poems and passages with great enthusiasm, showcasing their expression and pronunciation skills. The event was enjoyable and inspiring for both the audience and the judges. Congratulations to all the participants for their wonderful efforts.

# CHINESE NEW YEAR CELEBRATION

Students celebrated Chinese New Year with festive cheer, wearing colourful costumes and headgear that they had created themselves. Their headgears showcased traditional symbols and designs, adding a creative and lively touch to the celebrations. The activity brought excitement and joy, filling the school with a cheerful and festive atmosphere.

# STORYWRITING COMPETITION

Students participated enthusiastically in the school's Story Writing Competition, where they showcased their creativity and imagination. Through their stories, they expressed unique ideas and demonstrated their writing skills. The competition encouraged students to develop a love for storytelling and creative writing.

# CHARACTER PARADE

Students took part in an exciting Character Parade around the school.

Dressed in colourful and creative costumes, they showcased a variety of characters, bringing their favourite personalities to life. The parade filled the school with joy and laughter as students and teachers enjoyed the lively and vibrant atmosphere.

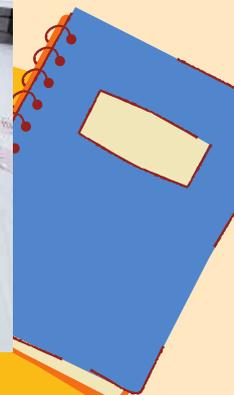

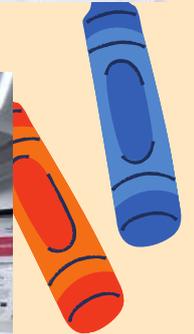

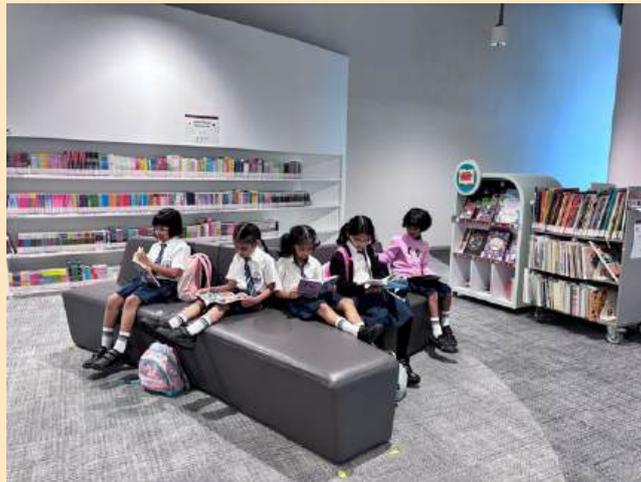

# LEARNING BEYOND CLASSROOM

## EXCURSION TO PUNGGOL REGIONAL LIBRARY

Students had an enjoyable learning trip to the Punggol Regional Library. During the visit, they explored the different sections of the library and discovered a wide variety of books. The trip encouraged students to develop a love for reading while learning how to use the library's facilities in a fun and engaging environment.

# THE SCIENCE UPDATE

## SCIENCE ACTIVITIES

Science activity: young scientists recently took part in an engaging classroom activity to discover the fascinating properties of air. Through a series of hands-on experiments, the children learned that although invisible, air is very much present and powerful. The activity sparked curiosity and laughter as children competed to see who could move objects the farthest. More importantly, it helped them understand that air, though invisible, is a vital force all around us.

# CO-CURRICULAR ACTIVITY

Our CCA sessions have been filled with imagination, joy, and hands-on creativity.

Our young artists enjoyed creating graceful swan crafts, with origami papers experimenting with colors and shapes while expressing their creativity.

Students crafted simple Valentine cards to share love and kindness.

## Hedgehog Leaf Craft

Using dry leaves, students made adorable hedgehog crafts. This activity sparked imagination while connecting them with nature in a fun and engaging way.
