STUDENTS' EDGE

Another BIG WIN for DPSIS Girls Cricket Team!

A spectacular moment of pride for DPS International School as our **Girls Cricket Team** delivered yet another phenomenal performance, winning the **T20 Premier League Match!**

The **DPS Panthers** showcased exceptional grit, stamina, and teamwork, securing a brilliant 42-run victory in the **Women's T20 League Match**. This win highlights the strength, resilience, and unity of our DPSIS Girls Cricket team. The Panthers truly roared on the field, making the entire school community proud!

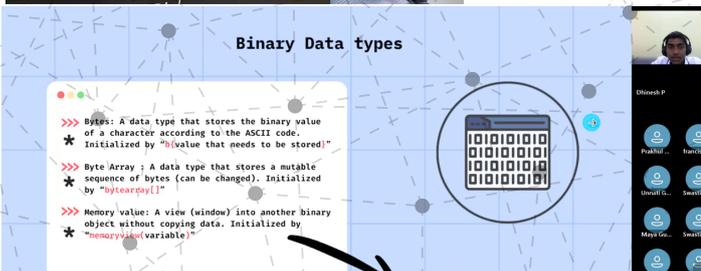

Congratulations to DPSIS Girls Cricket team for yet another glorious victory!

Building Future Cybersecurity Guardians

As we begin the **March term break**, it is the perfect time for students to explore new skills and interests **beyond the classroom**. In today's digitally connected world, **understanding how technology works and how to use it responsibly**, has become an essential life skill.

To help students develop these competencies, the **Digital Tech & Media Student Council** at DPSIS organized a **4-day Cybersecurity Workshop** during the school holidays, designed for students of Grades 9 to 12.

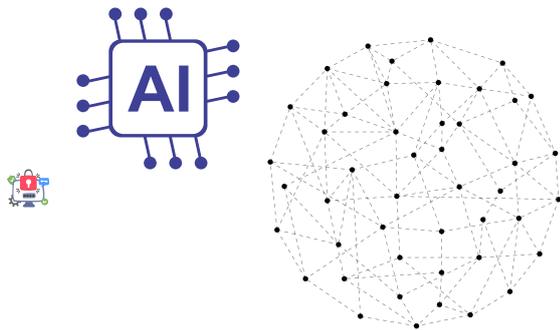

INTERESTING FACTS AND ANNOUNCEMENTS

DID YOU KNOW?

- **Over 5 billion people in the world use the internet today.** That's more than 60% of the global population.

- **The first computer password system was developed at MIT in the 1960s to protect shared computers.**
- **The term "hacker" originally meant someone who enjoys solving complex problems, not someone who breaks systems illegally.**

- **A 12-character password with numbers, symbols, and letters can take hackers millions of years to crack using brute force methods.**
- **Many cybersecurity experts started learning coding as teenagers**
