

Co-Curricular Activities (CCA) align with the DPSIS philosophy of nurturing well-rounded, future-ready learners. These activities encourage innovation, critical thinking, social responsibility, and personal well-being, while providing students with opportunities to develop practical skills beyond the classroom. They support the school's commitment to holistic education and preparing students to become responsible global citizens.

CO-CURRICULAR ACTIVITIES

Grade 10 to 12

Third dimension of education, plays a significant role in the holistic development of students.

Guidelines for Parents (Grades 10-12)

- For the academic year 2026-27 Students will be offered 6 CCA clubs and it is mandatory for students to participate in one CCA club which will run for an academic year.
- Students will indicate up to two CCA preferences based on their interests.
- These preferences will be used to allocate CCA club.
- Allocation will be done on a first-come, first-served basis, subject to availability.
- The final allotment of CCAs rests with the school, and the school's decision will be final and binding.
- Once a CCA has been allotted, changes will not be permitted within the academic year.
- Parents are therefore requested to carefully review the CCA options applicable to their child's Grade before submitting the preference form.
- Students will have opportunities to showcase their learning and skills developed during the CCA sessions.
- Based on their participation and performance in the selected club, students will be assessed and graded.
- Participation in inter-school competitions, exhibitions, and events forms an integral part of the CCA programme.
- In cases where such events extend beyond regular school hours, parents are kindly requested to make the necessary pick-up arrangements.

Promotes interdisciplinary learning through hands-on experiments and creative innovation

1. STEAM Club

Focuses on Physical wellness
stress management,
emotional balance,
Encourages
self-awareness,
resilience & healthy
lifestyle
