

Parents' Guidelines

Our Extra-Curricular Activities (ECA) programme for Academic Year 2026–27 offers a structured and progressive platform for students to explore their interests beyond the classroom. Designed to nurture talent, leadership, creativity, and teamwork, our diverse range of activities ensures holistic development for every learner.

Key Points:

- It is mandatory for students to participate in one ECA which will run for an academic year.
- Uniform & Equipment: Students must attend ECAs in the required uniform and bring necessary gear. For ECAs without a specific uniform, the P.E. uniform is required.
- Competitions: Participation in competitions is part of the program. Parents must arrange pick-up for events outside school hours.

Fees for Changes:

- First Change: S\$50 admin fee
- Second Change: S\$100 admin fee
