Welcoming our students in the New Academic Year 2026-27

Warmest welcome to all our students and families at **Kovan & Alexandra Campus** in the New Academic Year 2026-27.

Our first day of school 2026-27 was filled with warmth and excitement as we welcomed our students back. Teachers were at the entrance with open hearts, our student council proudly guided their juniors, and every bus arrived safely, bringing in waves of energy and joy.

We truly missed our students, and it was heartwarming to see them return. Today, the school came alive again - blooming with laughter, friendships, and bright, happy faces.

Here's to a wonderful year ahead!
