Experience the Grandeur: Annual Day 2026

The Annual Day 2026 was a **grand success, filled with energy, creativity, and unforgettable moments.** We were profoundly honoured to **welcome His Excellency, Dr. Shilpak Ambule, High Commissioner of India to Singapore,** as our esteemed Chief Guest.

His excellency's words served as a powerful catalyst, inspiring our departing cohort of 2025/2026 to carry the spirit of resilience and innovation into the world.

A Celebration to Remember

From the very first performance to the final curtain call, the stage came alive with:

- Vibrant performances by our young learners (EYP to Grade 6), full of enthusiasm, and confidence
- Power-packed acts by all the students, showcasing exceptional talent and storytelling
- Stunning choreography, music, and costumes that elevated every performance into a visual delight
- Each act reflected months of dedication and passion, truly embodying the spirit of this year's theme.

A Proud Milestone – Senior Graduation

One of the most heartfelt moments of the celebration was the Senior Graduation Ceremony. Watching our graduating students walk the stage was both emotional and inspiring—a proud reflection of their journey, growth, and readiness for the future.

Beyond Performances

Annual Day once again demonstrated that learning goes far beyond the classroom. Through this experience, our students build confidence and stage presence

Gratitude & Appreciation

This grand celebration would not have been possible without our talented students, who gave their best on stage, our dedicated teachers and staff, for their tireless efforts behind the scenes, our supportive parent community, whose encouragement made all the difference. A special note of gratitude to our founders, whose vision continues to inspire platforms like these where every child gets the opportunity to shine.

Relive the Magic

The excitement doesn't end here! Catch all the highlights, behind-the-scenes moments, and performance glimpses on our official Facebook page: <https://www.facebook.com/dpsis>

Do you KNOW?

Little Moments that shape big futures

In the early years of a child's life, every small experience leaves a lasting impression.

At DPSIS, we believe learning is not just about books - it's about **smiles, laughter, and the joy of discovering something new every day.** **Events, Annual Days, and fun-filled activities** are often a child's first chance to step onto a stage, wear a costume, or perform in front of an audience. These moments may seem small, but **they quietly build confidence** and help children overcome shyness in the most natural way.

When children **sing, dance, paint, and play together, they learn to express themselves freely.** They begin to make friends, share, and feel a sense of belonging - like school is a happy second home.

For parents, **these are the moments you cherish forever**—the first wave on stage, the excited smile, the pride in their eyes. And for children, **these experiences lay the foundation for self-belief and happiness.**

At DPS, we are committed to providing a balanced education - one that **empowers students not only to excel academically, but also to grow into confident, well-rounded individuals ready to face the future.**

We warmly invite you to become a part of this enriching journey.
