

ALEXANDRA BUZZ

FROM THE PRINCIPAL'S DESK

Dear Parents, Students and Members of the DPSIS Alexandra Community,

Welcome to the July edition of The Alexandra Buzz.

This month has been filled with meaningful learning, creativity and celebration. From engaging classroom experiences and enriching CCA and ECA programmes to our vibrant Racial Harmony Day celebrations, our students have continued to demonstrate curiosity, confidence and collaboration.

We are also delighted to introduce several enhancements to our campus, including our renovated Library, Art Room, and updated Indoor Games Arena, providing even more opportunities for creativity, exploration and holistic development. Our students have enthusiastically embraced a range of indoor physical activities, reflecting our commitment to their health and well-being.

The Parent-Teacher Meeting held on 25 July was a tremendous success, strengthening the partnership between home and school. We are grateful for the many encouraging testimonials and positive feedback received from our parents, which continue to inspire us. As we look ahead, August promises even more exciting learning experiences, events and opportunities for every learner to grow and shine.

Thank you to our dedicated teachers, supportive parents and enthusiastic students for making our school community a place where every child can thrive. I hope you enjoy reading the highlights of another wonderful month at DPSIS Alexandra.

Ms Shobha Shekhar
Principal, DPS International School

CAMPUS AT A GLANCE!

Every child grows differently, and every child deserves the opportunity to shine.

Sunshine, Smiles & New Adventures!

WELCOME, SUMMER!

A new month, a fresh chapter and plenty of exciting moments ahead! As we welcome July, we look forward to a season filled with joyful learning, creativity, discovery and memorable experiences.

Here's to bright days, curious minds and a wonderful summer together at Alexandra Campus!

Where Cultures Came Together Racial Harmony Day

A vibrant celebration of Singapore's multicultural heritage, where students embraced diversity through traditional attire, cultural performances and engaging activities. It was a day filled with respect, appreciation and the joy of learning from one another.

WHERE CULTURE CAME TOGETHER!

The Parent-Teacher Meeting held on 25 July was a tremendous success, providing valuable opportunities for meaningful conversations between teachers and parents.

We sincerely appreciate the positive feedback and encouraging testimonials received, reflecting our strong home-school partnership.

Academic Excellence: The Cornerstone of a DPS Education

Every Lesson, A
New Discovery
Learning in
Action

The Cambridge Pathway in Action

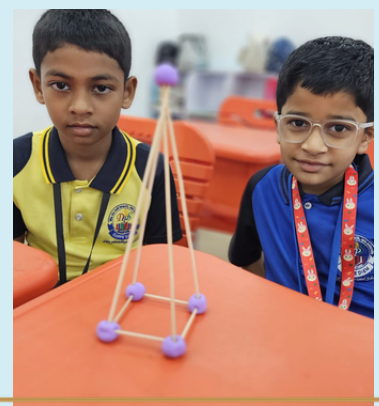

The **Cambridge Pathways** endorses that **curiosity** is the starting point for discovery. Students actively **explored new ideas, worked collaboratively, embraced challenges, and applied their learning in meaningful contexts.**

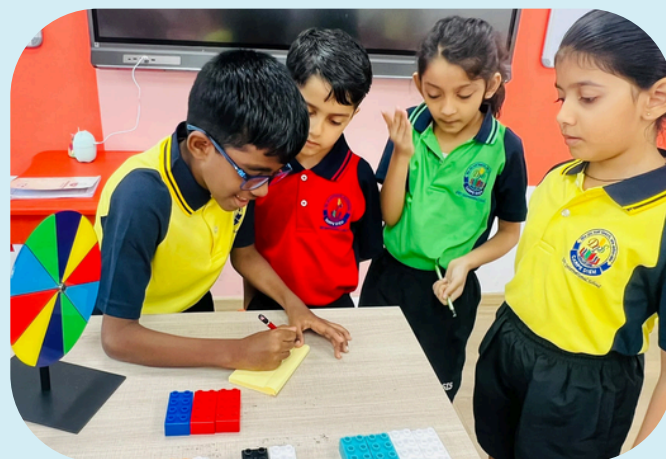

Cambridge Primary
Program(CPP)
Year 1 to 5

Cambridge Lower
Secondary
Program(CLSP)
Year 6 to 8

Cambridge IGCSE
Grade 9 & 10

Cambridge AS & A
Level
Grade 11 & 12

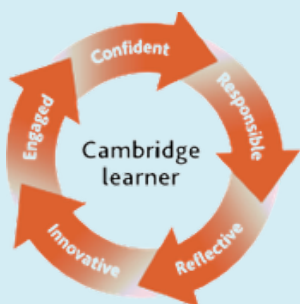

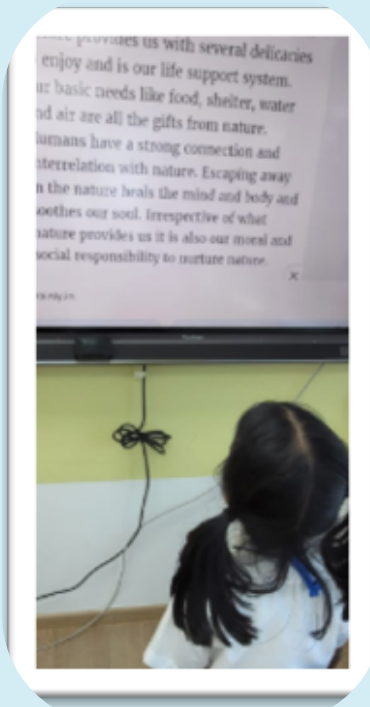

Throughout July, our classrooms reflected the **Cambridge approach to learning** through engaging experiences across English, **Mathematics, Science, Global perspectives Languages, Computing, Art, and Physical Education.**

Students explored concepts through **inquiry, collaboration, hands-on learning, presentations, and creative tasks, developing confidence, critical thinking, communication, and the skills** needed to become independent, lifelong learners.

**Every Lesson, A New Discovery
Learning in Action**

STUDENT WELNESS SPOT!

Moving with Energy & Enthusiasm

From yoga sessions and indoor fitness challenges to teamwork games and movement activities, students embraced every opportunity to stay active, build resilience and enjoy learning through movement.

VOICES THAT INSPIRE US! Our Parent Partners!

**Mrs. Monica Chaudhary,
Parent of Tarshik Tomar (Year 4)**

At DPS International School – Alexandra Campus, my child has grown not only academically but also personally.

The wide range of creative activities, celebrations, music, art and craft has helped build his confidence and personality.

I have seen him become more communicative, make meaningful friendships and truly enjoy coming to school every day.

The teachers' dedication, encouragement and focus on curiosity, teamwork and holistic development have made a remarkable difference.

As a parent, I am grateful to be part of such a caring and inspiring school community.

The heartfelt appreciation and positive feedback from our parents continue to motivate us to create a nurturing, engaging and future-ready learning environment where every child can flourish.

Watching Ivan grow in confidence and enthusiasm has been a wonderful experience.

He looks forward to coming to school every day and especially enjoys his Physical Education lessons and sports activities.

It's reassuring to see him so happy, engaged and excited about learning.

We truly appreciate the caring environment and the opportunities the school provides for children to learn, play and grow with confidence.

**Mr. Nikhilesh, Parent of
Ivan (EYP)**

AUGUST

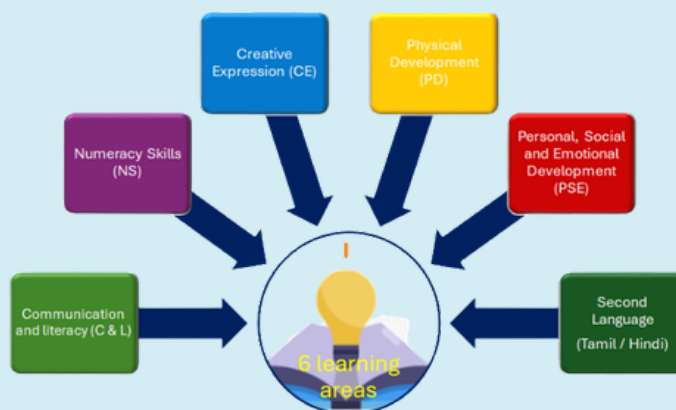

- Maths Week & Exhibition
- National Day Celebrations
- Independence Day

BELL!

They teach English, Maths, and Science... but
they also love coffee, books, music,
adventures, and a good laugh! Meet the
faces behind the learning.

THE TEACHER'S EDIT

The Coding Champion
MS Gurkiran, Cambridge
Computer Science Teacher.

Inspired by the Cambridge philosophy, I am committed to developing learners who are confident, responsible, reflective, innovative and engaged, equipping them with the skills and mindset to succeed in an ever-changing world.

My passion for languages inspires me to create engaging and enjoyable French lessons that build confidence, curiosity and communication skills. Guided by the Cambridge Learner Attributes, I strive to nurture learners who are confident, responsible, reflective, innovative and engaged, while fostering an appreciation for languages, cultures and lifelong learning.

Bonjour with Celia
Cambridge French Teacher
