- 🌱 Learning Beyond the Classroom

UPCOMING EVENTS

- Teachers day 5th Sept 26
- Purple day 18th Sept 26
- Term 1 examination 7th Sept 26 - 23rd Sept 26

☀️ CELEBRATING DPSIS ALEXANDRA AND KOVAN

A New Chapter in Excellence & Innovation

DPSIS Alexandra continues to flourish as a dynamic learning community, providing a modern Cambridge education that inspires curiosity, creativity and confidence. Through engaging classroom experiences and a wide range of ECA and CCA opportunities, students are encouraged to develop their talents, build essential skills and grow into well-rounded learners.

Fun Fact

DPSIS is one of the few schools in Singapore offering both Cambridge and CISCE curricula, providing students with flexible learning pathways.

Principal's National Day Message

As Singapore celebrates its National Day, we come together with pride and gratitude to honour the remarkable journey of a nation built on resilience, unity, determination and vision.

Singapore's progress reminds us that great achievements are possible when people work together with courage, discipline and a shared sense of purpose. As educators, we believe these values must continue to inspire our students as they grow into responsible, compassionate and forward-thinking global citizens.

At DPS International School Singapore, National Day is not only an occasion to celebrate Singapore's achievements but also an opportunity to reflect on our responsibility towards the community we call home. Through learning, service, environmental awareness and meaningful participation, our students continue to demonstrate that citizenship is expressed through both appreciation and action.

May our young learners always cherish the values of harmony, respect and perseverance that have shaped Singapore's extraordinary story.

On behalf of the entire DPS family, I wish everyone a joyful and meaningful National Day.

Ms Shobha Shekhar
Principal

Celebrating Singapore National day

Together in the Spirit of Unity, Pride & Belonging

Our school community came together to celebrate Singapore National Day with pride, enthusiasm and joy. Students and teachers participated in a vibrant celebration filled with music, performances, colours and meaningful moments.

The celebration gave our students an opportunity to appreciate Singapore's multicultural heritage and reflect on the values of unity, respect, diversity and togetherness.

Majulah Singapura: Go Beyond

The National Day celebration brought together students from different age groups in a joyful display of unity and school spirit.

United in celebration

Students and teachers came together to celebrate Singapore National Day with pride and joy

Pride in Every Little Flag

The celebration was a wonderful opportunity for our students to learn about Singapore's journey, culture and traditions.

CCA AND ECA

AT OUR SCHOOL, EDUCATION GOES BEYOND TEXTBOOKS.

Building Bright Futures Together

We understand that a child's development is a shared journey between home and school. That's why we keep open communication with parents and provide daily updates about your child's progress. Together, we build strong foundations for their academic, emotional, and social success.

Participating in these activities gives students the opportunity to grow in many meaningful ways. As they work together, take on new challenges, and celebrate their achievements, they develop confidence, strengthen their communication skills, and learn important values such as teamwork, respect, and perseverance.

These experiences also encourage students to explore their interests, discover hidden talents, and build lasting friendships. Most importantly, they help create a strong sense of belonging, ensuring every child feels valued, connected, and excited to be part of our school community.

Safety and comfort come first in our daycare. From clean play areas to caring supervision, every detail is designed to protect and nurture your child. Our environment allows children to explore freely, learn confidently, and feel truly at home surrounded by kindness and encouragement.

Wellness Through Yoga

🧘 Yoga in ECA helps students build focus, flexibility, and inner calm through mindful practice. It nurtures both physical health and emotional well-being, supporting balanced growth beyond academics.

Reading Club opens the door to imagination and knowledge. Students discover new worlds through books, share ideas with peers, and develop a lifelong love for reading.

Tradition Through Dance

Our Dance Club is more than just learning steps. Through music, movement, and plenty of fun, children build confidence, express themselves, and enjoy every moment. The smiles and excitement they experience today help create a lasting love for dance.

Harmony in Practice

Keyboard in ECA gives students the chance to explore the joy of music while building discipline and creativity. Through practice and performance, learners develop coordination, confidence, and an appreciation for the art of melody.

Chess also encourages sportsmanship, confidence, and perseverance, making it a valuable activity for both intellectual and personal development.

Robotics helps students turn their ideas into working models and prepares them for a technology-driven future.

Independence day

JAI HIND

Celebrating
India's freedom,
heritage and
the spirit of
unity."

Our Independence Day celebration was filled with joy, pride, and plenty of smiles as students came together to celebrate the spirit of freedom and unity. Through colourful performances, patriotic songs, and engaging activities, learners enthusiastically showcased their talents while embracing India's rich culture and heritage. The day was a wonderful opportunity for students to reflect on values such as kindness, respect, and togetherness, making it a truly memorable celebration for all.

A Day of Pride and
Patriotism

Our Independence Day celebration was filled with colour, energy and enthusiasm. Students showcased their talents, celebrated Indian culture and created wonderful memories together.

The vibrant performances and enthusiastic participation of our students created a wonderful atmosphere of patriotism and togetherness. With students coming together from different backgrounds, the celebration beautifully reflected the message that diversity, respect and unity can bring a community closer. Our students celebrated this special occasion with enthusiasm and pride, taking part in cultural performances and activities that reflected the rich traditions and diversity of India.

Learning Beyond the Classroom.....

This month of September brings learning with a twist as our learners step beyond the classroom and explore through exciting excursions. During their visit to the Singapore National Gallery, students discovered inspiring artworks while learning about Singapore's history, culture, and heritage.

Through observation, discussion, and creative exploration, they gained a deeper appreciation for art and the stories it can tell, making learning both meaningful and memorable.

Exploring the World Around Us

Our students had an exciting and enriching excursion to HortPark, Singapore, where learning came alive beyond the classroom. Surrounded by beautiful gardens and diverse plant life, students explored nature, observed different types of plants, and discovered how green spaces contribute to a healthy and sustainable environment.

It was a wonderful opportunity for our students to learn, explore, discover, and connect with nature while creating memorable experiences with their friends and teachers.

MATH WEEK

17 AUG 2026 TO 21 AUG 2026

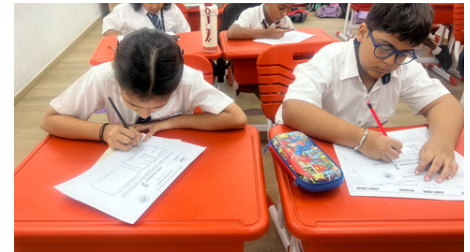

Learning Through Play

Our young mathematicians had a fantastic time putting their skills to the test through exciting hands-on challenges! From solving maths questions in a fast-paced Musical Chairs game and cracking clues in a thrilling Escape Room Quiz, to becoming Math Detectives and uncovering calculation errors, students strengthened their problem-solving and teamwork skills while having lots of fun.

Math Week at DPS International School, Alexandra Campus was a celebration of fun, curiosity and mathematical thinking. Through engaging puzzles, quizzes and hands-on challenges, students strengthened their problem-solving, logical reasoning, creativity and teamwork skills while discovering that mathematics is much more than numbers. It is about exploring ideas, asking questions and finding solutions in exciting ways.

◆ Academic Excellence ◆

Learning. Exploring. Growing.

August was filled with meaningful learning experiences that encouraged our students to think critically, work collaboratively and approach new challenges with confidence.

WORDS FROM OUR PARENT COMMUNITY

Sankavi

EYP Shravan

As one of the youngest children in the group, we have been very happy to see Sharavan's progress since joining the school. His writing skills have improved, and we have also noticed development in his cognitive skills and fine-motor abilities, including pencil holding.

What makes us especially happy is seeing him become more disciplined and genuinely excited to come to school. He enjoys his time here and looks forward to the activities and learning experiences.

We are also very pleased with the school's focus on safety and the care provided to the children. The support and guidance from the teachers, have made his experience very positive.

Pallavi
Deshpande

Year 7 Spruha

We have had a very positive experience with the school. We particularly appreciate the smooth transition, the convenient location and the safe, welcoming environment.

We have noticed a clear improvement in Saukhya's vocabulary and confidence in speaking. The personal attention given to the children is also something we truly value.

With a variety of activities and experiences being introduced, we feel that the school is providing a wonderful foundation for our child's overall development.

Anusha

Year 1 Sathvik

Our son, Satvik, is currently in Year 1 and graduated from EYP last year. We are extremely happy with his journey at DPS International School and would highly recommend EYP to every parent.

Satvik genuinely loves coming to school. He even gets bored on weekends and looks forward to seeing his teachers, friends and learning new things.

His EYP experience gave him a strong foundation. By the end of the year, he could read simple sentences, and we saw a clear improvement in his handwriting and confidence.

As parents, we feel completely reassured by the safe and caring environment at DPS.

The teachers and staff are approachable, supportive and always responsive, while the ClassDojo updates keep us well informed.

Knowing that our child is safe, happy and learning every day gives us complete peace of mind.

We are truly grateful to DPS for giving Satvik such a wonderful start to his school journey.

Thank you for choosing DPSIS as part of your child's learning journey.
