First Day of School

The first day of school was filled with excitement, smiles, and enthusiasm as students returned to the classroom. The day began with a warm welcome, followed by introductions and fun icebreaker activities to help everyone feel comfortable and get to know one another.

Students were introduced to the classroom rules, daily routines, and expectations for the school year. They also participated in engaging activities that encouraged teamwork, communication, and friendship. The positive atmosphere helped students settle in quickly and build confidence in their new learning environment. Overall, it was a successful start to the school year. Students showed eagerness to learn, interacted respectfully with their classmates, and demonstrated a positive attitude towards the exciting journey ahead.

First Day of School

Go Green Day

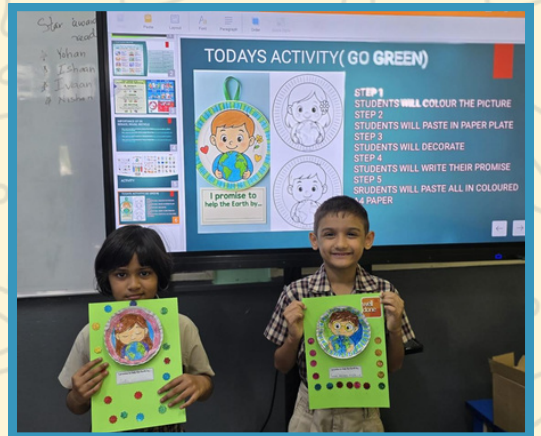

Our primary students celebrated Go Green Day on the 10th July 2026 with great enthusiasm and excitement. The event encouraged students to learn about the importance of protecting our environment and adopting eco-friendly habits.

Students participated in a variety of engaging activities such as creating recycled crafts, designing posters, and sharing ideas on how to reduce waste. Through these activities, they discovered simple ways to make a positive impact on the planet.

The celebration reminded everyone that even small actions—such as saving water, reducing plastic use, recycling, and caring for plants—can help create a greener and healthier future. Together, we can make a difference and become responsible stewards of the Earth.

Go Green Day

Racial Harmony Day

Racial Harmony Day was celebrated on 21st July 2026 in DPS International School with zeal and enthusiasm. It is an annual event held to commemorate the communal riots of 1964 and teach students the importance of maintaining racial and religious harmony in Singapore's multicultural and multi-ethnic society.

A range of cross-cultural activities were organised for students. Some of these activities include dressing up in ethnic costumes, hand painting, making collages, posters, playing traditional games etc. Students got an opportunity to give small presentations and share about their state's culture, traditions, festivals, language. They enjoyed doing art and craft together like Harmony Tree, Paper People chain etc and made event a grand success. This enabled them to take pride in their cultural heritage while learning about traditions of their friends and classmates.

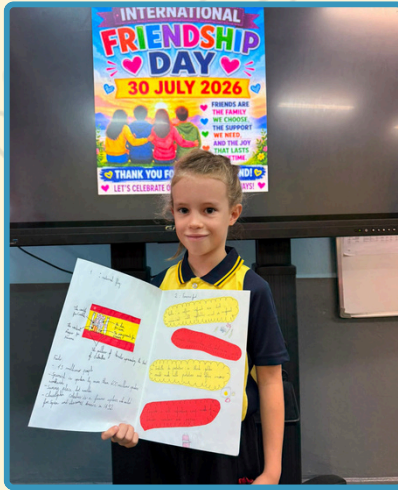

Racial Harmony Day

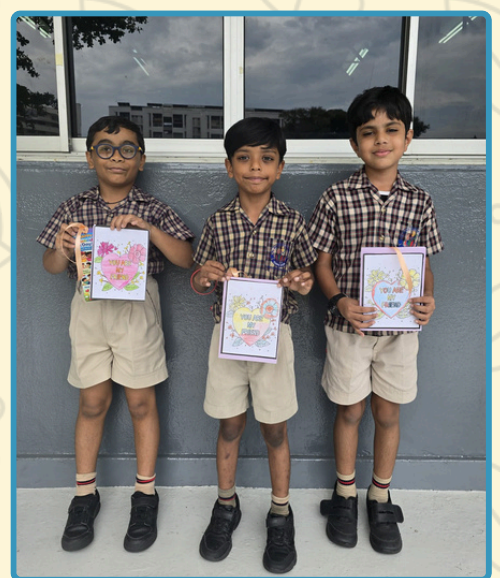

International Friendship Day

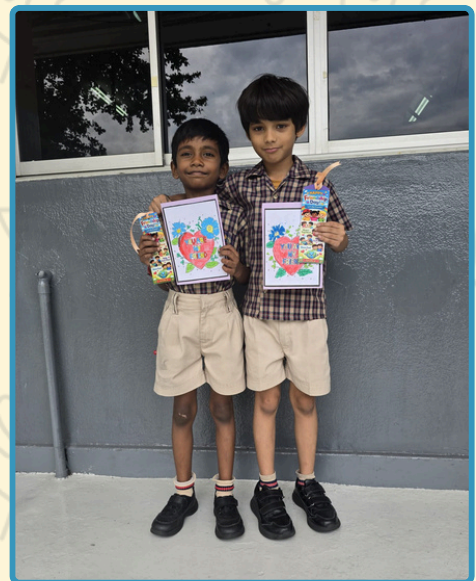

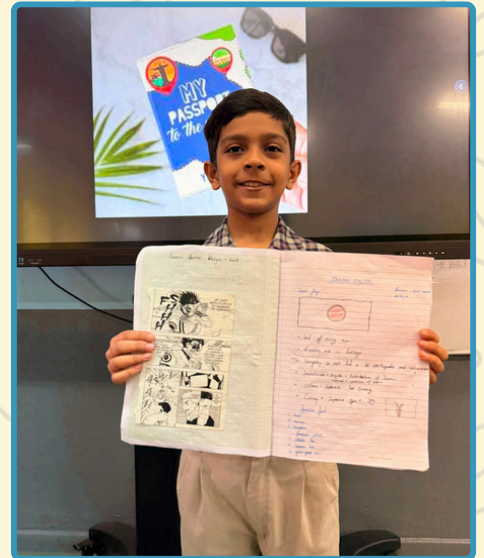

DPS learners celebrated International Friendship Day through meaningful activities that promoted kindness, empathy, respect, and inclusion.

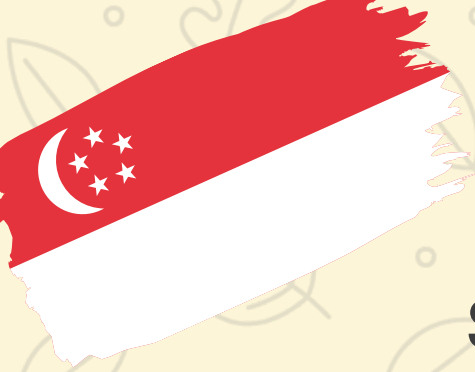

Learners reflected on the qualities of a good friend and participated in creative activities such as making Friendship Badges, Friendship Day Cards, and exploring global friendship through "My Passport to the World!"

A special assembly further highlighted the importance of kindness and mutual respect. The celebration created a joyful atmosphere and reminded learners that friendship grows through kindness, understanding, and appreciation for one another.

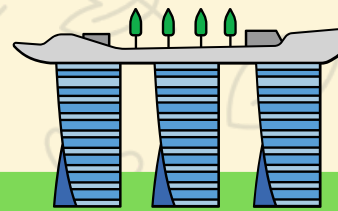

International Friendship Day

Singapore National Day

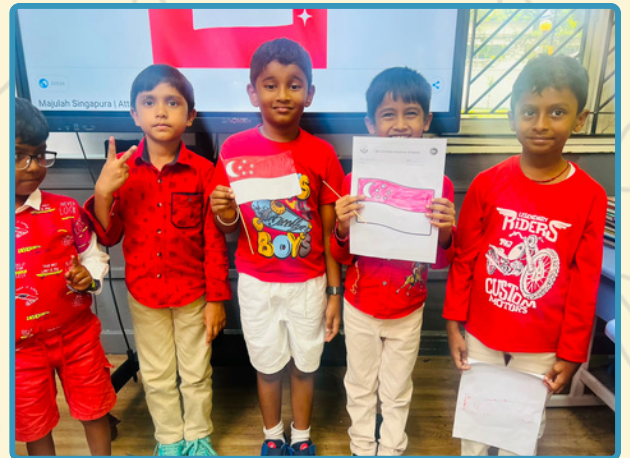

Our school celebrated National Day with great enthusiasm, pride, and excitement. The celebration was a wonderful opportunity for our students to learn about the importance of National Day and to appreciate the values of unity, diversity, and love for our country. The day began with a special National Day assembly, where students and teachers came together to commemorate this important occasion. The assembly included meaningful presentations and activities that helped the children understand the significance of National Day and encouraged them to feel proud of their country.

The celebration continued with a variety of cultural programmes presented by the students. The children enthusiastically participated in songs, dances, and other performances that showcased the rich culture and diversity of our nation. Their confidence, creativity, and enthusiasm made the celebration lively and memorable.

Singapore National Day

Indian Independence Day

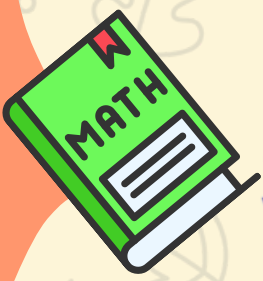

Our students at DPS International School, Singapore celebrated India's Independence Day with great enthusiasm, pride and patriotic spirit. The celebrations provided a wonderful opportunity for students to connect with India's rich heritage while understanding the values of freedom, unity and responsibility.

The children were engaged in a variety of creative and interactive activities, exploring India's culture, history and national identity.

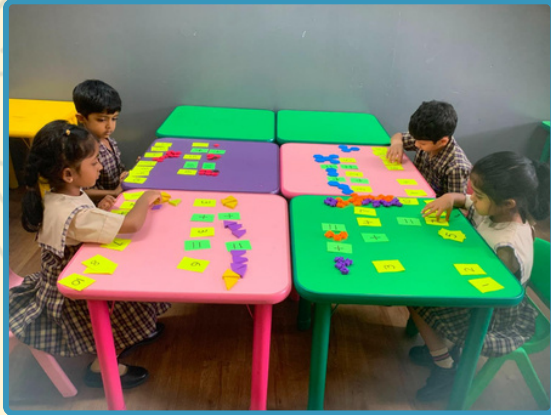

Indian Independence Day

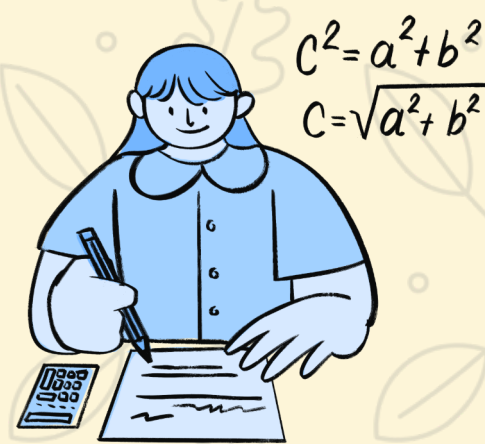

Math Week

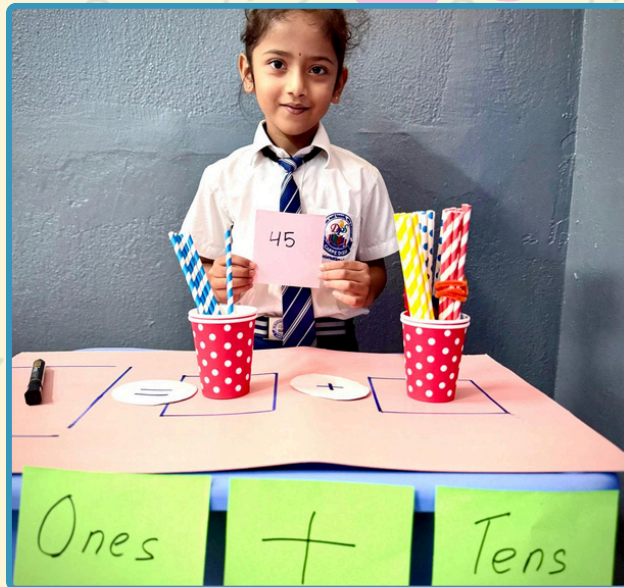

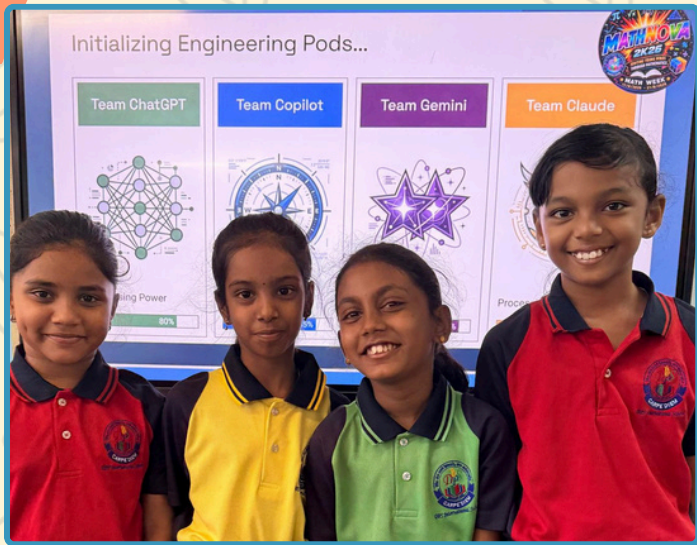

Maths Nova 2026 – Where Learning Meets Fun!
DPS International School celebrated Maths Nova 2026 with great enthusiasm and excitement. Learners enjoyed engaging activities such as mathematical quizzes, number games, number operations, time, symmetry challenges, times-table activities and team games. These activities strengthened their logical thinking, problem-solving skills, confidence and teamwork. Learners also connected Mathematics with World Humanitarian Day, exploring values such as kindness, sharing and empathy. Maths Nova 2026 was a joyful celebration of numbers, creativity and learning!

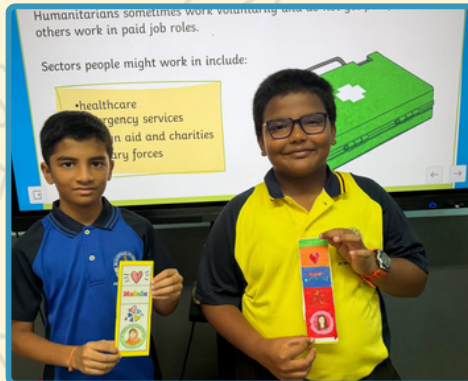

Math Week

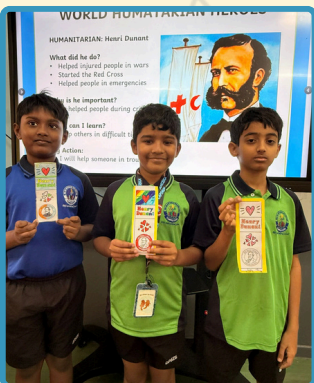

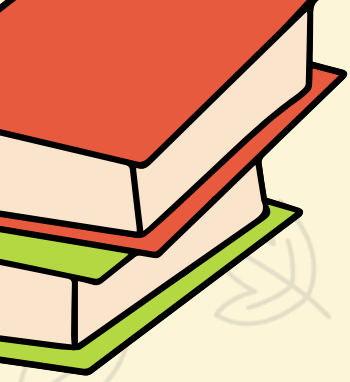

World Humanitarian Day

On World Humanitarian Day, our students explored the meaning of being a humanitarian and discovered the inspiring stories of great humanitarians from around the world. Through these stories, they understood that making a difference does not always require grand gestures. The students were encouraged to be inspired by these changemakers and to practise kindness, empathy, compassion and helpfulness through simple acts in their everyday lives.

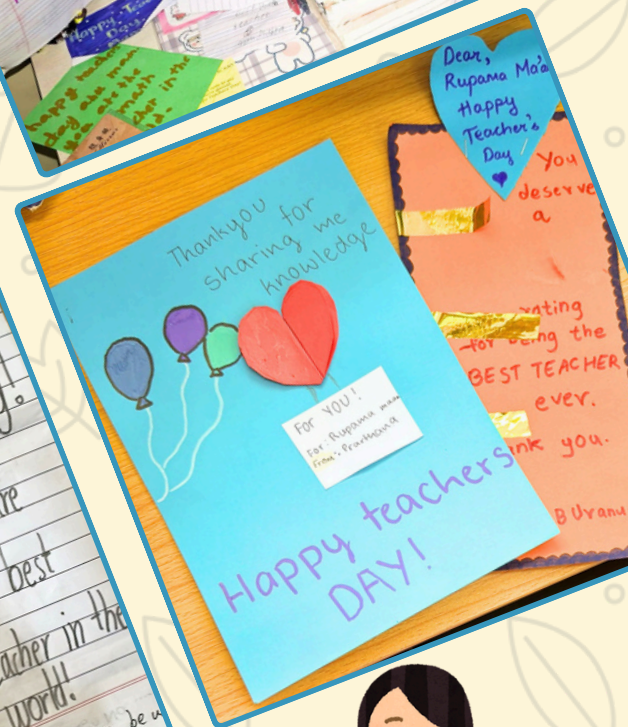

Teacher's Day

Teacher's Day – Little Gestures, Big Hearts

Teacher's Day brought with it many heartwarming moments as our teachers were touched by the sweet gestures, thoughtful notes, handmade cards and warm wishes from their students. These simple expressions of love and gratitude meant more than words can express, leaving our teachers truly overwhelmed and grateful.

A kind message, a little note, a handmade card or simply a heartfelt "Happy Teacher's Day" reminded us of the special bond that makes teaching so meaningful. It is moments like these that make all the effort, patience and dedication worthwhile.

To our wonderful students, thank you for making your teachers feel appreciated, valued and loved.

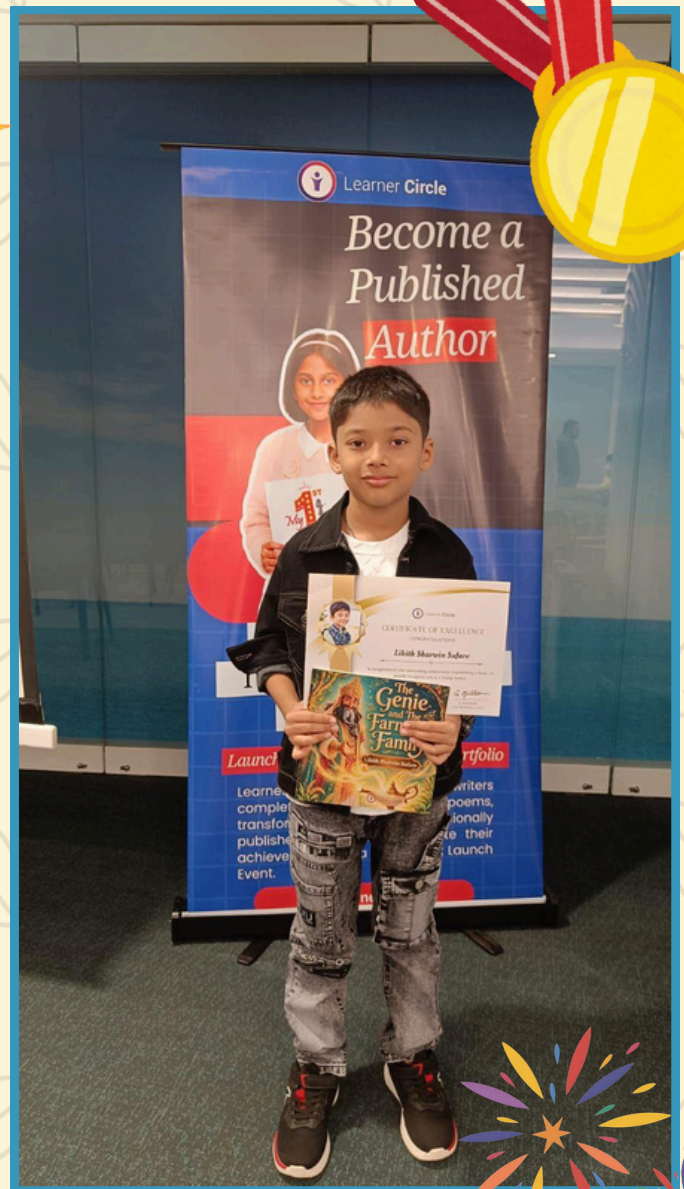

Special Achievements

Likith Sharwin Safare, Grade 4C Oracles, has been selected for publication for his fictional story "The Genie and The Farmer's Family" in the Learner Circle Writathon.

Many congratulations to **Viaan Aggarwal** of 5B Uranus on his outstanding achievement in the FIDE-rated chess competition!
